

Jasmina Ristovska, Project Officer

jrs@mcms.mk

+389 2 3065 381

Born on 26.08.1981 in Skopje. She graduated at the Faculty of Economics in Skopje in 2005. In 2013 she became a Master in Economics, at the Institute of Economics, Skopje - department Financial Management.

After short working experience in the Marketing Agency Divajn, since March 2006 she started working in the Ministry of Finance as Finance Officer, in the Central Financing and Contracting Department (CFCD). CFCD performs the role of Contracting Authority accredited by the European Commission services for tendering, contracting, financial management and payment, as well as for monitoring of the implementation of projects, financed under the Instrument for Pre-Accession Assistance in the Republic of Macedonia, in Decentralized Implementation System. In CFCD she was involved in all phases of project cycle management and worked on the implementation of works, services, supplies, twinning and grant contracts (both grant schemes, and direct grants). Until April 2018 she was employed on the position Advisor for decentralized financial management of projects financed under IPA and was responsible for sound financial management and control of the projects, implemented by CFCD.

As of May 2018, she joins MCIC team, in the Department for Civil Society and Democratization, as Coordinator of the Programme Regional Anticorruption Network.
